# Mrs. Fiorentino's Classroom Newsletter

## Preview of our week

Bible: We will read Acts 5, and see that we must follow the Lord, not go our own way, die to ourselves, live for Christ and others, and rely on the Holy Spirit to continually lead and guide us in our daily lives.

Our Bible verse: **"So they departed from the presence of the council, rejoicing that they were counted worthy to suffer shame for His name, and daily in the temple, and in every house, they did not cease teaching and preaching Jesus as the Christ." Acts 5:41,42**

Writing: Let your child make a journal of what happens during their summer. This will help with their writing skills.

Phonics: Continue to practice special sound words, short & long vowel words and marking vowels over the summer.

Math: Have your child count your loose change, and practice addition and subtraction facts over the summer.

Reading: Choose great books for them to read over the summer. This will keep their reading skills sharp and ready for first grade, and provide them with the wonder of using their imaginations!!

## Parent Corner

This will be my last newsletter for the year. I can't believe it is time for Graduation already! You should be very proud of your children as you watched them grow, and see what they have learned. Thank you for being there at the school, giving of your time, and joining us for our special activities.

Make sure that your child is here on Tuesday at 6:40pm. A note will be sent the day before to give details.

Note the early dismissal days, Wed.-Fri. at 12:15pm. If they have a sibling they will be released at 11:45am. There will be no lunches on those days.

## Teacher Corner

It has been a huge privilege and blessing to take these little lives, fill them with the love of Christ, and have so much fun teaching them to read, write, sing praises, and add numbers. I am extremely proud of each child. Each is so unique, and brought such wonderful personalities to my classroom and deeply touched my heart! Each of them has a gift to offer to people all around them, and be a blessing. What an adventure we have had, as I have seen our school family grow and blossom together! I will truly miss them all. My prayer for them is that their love for Jesus will continue to grow in their hearts, and be practiced in their lives, to the glory of God! These children are our future. May the Lord bless you richly, keep you safe, and enjoy your children this summer!!

In His service, for His glory,

Mrs. Fiorentino

## Behavior Rules

Simple obedience is what is required for a child to feel safe and have a secure environment. Caring for and respecting our neighbor in the classroom, and kindness with our words, helps us to get along with one another. Jesus wants us to act with loving kindness and gentleness. When each child does their part, we can have a wonderful and pleasant experience, as learning will flourish, and each child will grow in wisdom and grace.

## Reminders to Students

Practice your lines for Graduation ceremony

## DVD for Graduation

On the night of the program, you will receive an order form to purchase a copy of the DVD that is shown during Graduation. It is \$5.00 and is about 15 minutes long. It is a collection of what K-5 has done throughout the year, and is set to music. We try to get an idea of how many to make ahead. If you want a copy, fill in the form and send a note in the behavior folder & how many you need, to help with the order count. You will only have two days before the school year ends, so we need the forms as soon as possible the next day. Thanks.
